- (Notes)
1. Approval of a majority of the voting rights of the attending shareholders who may exercise voting rights
 2. Attendance of shareholders who hold not less than one-third of the voting rights of the shareholders who may exercise voting rights and approval of the voting rights of the equal or greater than two-thirds of the attending shareholders
 3. Attendance of shareholders who hold not less than one-third of the voting rights of the shareholders who may exercise voting rights and approval of a majority of the voting rights of such attending shareholders
 4. The percentage of approval is calculated as “the number of the voting rights that could be confirmed to be for each item of the agenda” divided by “the sum of the number of the voting rights exercised in advance and that of the shareholders who attended the meeting on the day.”

4. Reason for not including in the number of the voting rights some of the voting rights of the shareholders who attended in the shareholders’ meeting

As a result of adding up the number of the voting rights exercised in advance and that of some attending shareholders on the day whose voting rights could be confirmed to be for or against each item of the agenda, the requirements for passing each item of the agenda were satisfied, and the resolution was passed lawfully in accordance with the Companies Act. Therefore, the number of the voting rights of some attending shareholders on the day whose voting rights could not be confirmed to be for, against or abstention, is not included.
